Overview

Miracles Works is a professional creative studio led by Dr. Hamsalekha, a great visionary, dreamer, Music Director, Musician, Lyricist, Artist, Performer, Singer, Instrumentalist, Composer, Educationist, Philanthropist, Socialist, Patron of literature and art, teacher and a marvelous human being.

Miracles Works is a professional creative studio which offers our clients design solutions and packages, tailor made for their unique needs. We specialize in turning ideas into powerful brands and creating effective advertising campaigns from the most basic of briefs. We offer our clients a comprehensive service where strategy and research always form part of any solution.

We strive to work alongside our clients in order to turn their ideas into tangible products.

Vision & Mission

Vision

To grow into a medium-sized, through-the-line advertising agency known for our creative and innovative work, effective design solutions and the integrity of our work ethic.

Mission

Miracles Works aims to deliver the best creative solutions possible for every one of our clients. Integral to achieve this, we commit ourselves to understanding our clients' business operations and branding/advertising needs first. It is our aim to build lasting relationships with clients. We aim to continuously improve and develop our design skills to stay in line with industry standards.

We care about the environment and we aim to guide our clients by making sustainable choices a part of our practice. We also support social responsibility ideals and partake in pro-bono design for social upliftment charities.

► Company

Miracles Works is a one stop solution company operating out of Bangalore, India, in the fields of Ads, 3D & VFX.
